### GREETINGS FROM YOUR STAFF CONGRESS PRESIDENT (Chuck Pettit)

It's the end to another great semester at NKU. I want to thank all the staff members for their dedication to the institution and that dedication is the reason we are here: THE STUDENTS! While many times the circumstances make it somewhat challenging to get through the day, I can proudly look at our campus and see the fruits of our efforts both inside and outside the buildings.

### Scholarship Recipients:

The following students have been chosen as this year's award recipients:

#### ***Staff Congress Tuition Award:***

Sharon Butcher, daughter of Carol Butcher, office of the Dean of Arts & Sciences.

#### ***A. D. Albright Scholarship:***

Kimberly Schulenberg, daughter of Connie & Ray Schwierjohann, Bursar's and Public Safety.

#### ***Book Grant Award:***

Keith Lindsay, son of Pat Lindsay, Nursing Department.

#### ***Book Grant Award:***

Lori M. Hardcorn, daughter of Mary Jo Hardcorn, Academy of Criminal Justice.

The awards will be presented at the Staff Congress Luncheon prior to the meeting on June 8th. Dr. A. D. Albright, past president of NKU, has been invited to present the Albright Scholarship. We are anxiously awaiting his response to our invitation. Other important guests are invited and we hope they will be in attendance, including the parents of the students being honored. All Staff Congress members, including the newly elected members, will also be guests at the luncheon.

Anyone interested in attending the luncheon should contact Peg Goodrich, X6400, for further information or to make a reservation. The cost of the luncheon would be \$5.

### Healthcare Alliance News:

While it should come as no surprise, we still do not know anymore this month than last month about the condition of the alliance. We have been told that by month's end we should be able to see most of the "big picture." Questions, and the responses to those questions, that we posed to the administration are on file in the Staff Congress Office.

### Staff Congress Elections:

Please be sure to vote in the Staff Congress elections this week. Have your ballot turned in to the Staff Congress Office, AC 105, by the 24th of May.

### Thanks:

We had a good response to our call for non-congress members to work on some of our committees. Thank you to all that called.....As a way of thanking the staff for another year of hard work and dedication, Staff Congress and administration are putting together a program, slated for sometime the end of June, for all the staff to get together to share some time and refreshments. More information will be forthcoming to your department.

### Reminder:

If at anytime a staff member has a comment or concern they would like to share, contact your Staff Congress representative or call me directly at X6502. We are here to serve one another.
